

Classics to Keep

2024-2025

Dear Great Hearts Forest Heights Families,

Books are at the core of a classical, liberal arts education. At **Great Hearts Academies**, it has always been the tradition for scholars to develop a personal library of books they keep and annotate. We call these books ***Classics to Keep*** in Middle School and ***Great Books*** in High School.

We strongly encourage you to purchase these books for your student's collection. For families who do not purchase the texts, their student will have access to a classroom copy of the books which are part of their curriculum. Borrowed books may not be annotated (marked in) and must be returned in good condition once their class has finished working with them. Any returned books which are deemed too damaged to remain in the classroom library must be replaced with a new book at the family's expense.

Below is a list of our ***Classics to Keep & Great Books*** along with the specific ISBN for the edition of the book used by our teachers. While multiple versions of each book exist, ensuring that your student has the correct edition will enable them to easily follow along with page numbers or specific passages during classroom discussions.
