

Classics to Keep

2026-2027

Dear Great Hearts Forest Heights Families,

Books occupy a central place in a classical liberal arts education. Throughout their years at Great Hearts Texas, students encounter enduring works of literature, history, philosophy, and other disciplines that have shaped our civilization. Families are encouraged to purchase certain texts, known as "Classics to Keep," so that students may annotate them, return to them over time, and gradually build a personal library that reflects their intellectual formation.

To support classroom instruction, the Academy publishes recommended editions of these works. Families are encouraged to purchase the designated editions so that students may readily participate in classroom discussion and shared study. Students who do not purchase a text will be provided access to a copy as part of the instructional program. School-issued books remain Academy property and should be returned in good condition. In accordance with Texas law, required instructional materials are provided to students without charge.

Below is a list of the ISBNs for the editions of the book used by our teachers. Additionally, we now have a Virtual Bookstore (QR Code below) where you can view designated editions by grade level and easily purchase them to be delivered straight to your home!
